

Gallon v. State

2003 | Cited 0 times | Court of Appeals of Texas | August 27, 2003

MEMORANDUM OPINION

MOTION TO DISMISS GRANTED; DISMISSED

This is an appeal of the trial court's finding that the results of DNA testing were unfavorable to the appellant. See Tex. Code Crim. P. art. 64.05. Appellant has now filed a motion to dismiss the appeal. The motion is granted. The appeal is dismissed. See Tex. R. App. P. 42.2(a). Our mandate may be issued early upon proper motion. Tex. R. App. P. 18.1(c).
