

11/06/95 GLORIA PITTMAN v. LASCO INDUSTRIES

908 S.W.2d 932 (1995) | Cited 0 times | Tennessee Supreme Court | November 6, 1995

ORDER

This case is before the Court upon Lasco Industries' motion for review pursuant to Tenn. Code Ann. § 50-6-225(e)(5)(B), the entire record, including the order of referral to the Special Workers' Compensation Appeals Panel, and the Panel's Memorandum Opinion setting forth its findings of fact and Conclusions of law, which are incorporated herein by reference;

Whereupon, it appears to the Court that the motion for review was not timely filed in accordance with Tenn. Code Ann. § 50-6-225(e)(5)(B), which requires filing within 15 days of issuance of the Panel's opinion. Tenn. R. App. P. 21(d), does not operate to extend the fifteen-day filing period established by the statute.

This Court is, therefore, without jurisdiction to consider the merits of the motion, and the motion for review is therefore dismissed. Costs will be paid by defendant, Lasco Industries, Inc., for which execution may issue if necessary.
