

REF-CHEM CORPORATION v. EL PASO PRODUCTS COMPANY

489 S.W.2d 659 (1972) | Cited 0 times | Court of Appeals of Texas | November 29, 1972

This is an appeal from a summary judgment. This case is a companion case to our cause number 6292, styled Ref-Chem Corporation, Appellant, v. El Paso Products Company, Appellee, and the disposition of this case is controlled by our opinion this day rendered in that case. Identical questions are presented by both appeals, both were briefed and orally argued by the same counsel, and were argued jointly. However, the cases have not been consolidated either in the trial Court or this Court, so that it is necessary to make an independent disposition of each case.

We therefore affirm the judgment of the trial Court in accordance with our opinion in cause number 6292.
