UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF NEW YORK MARK IANTOSCA

Plaintiff, -against- ELIE TAHARI LTD.,

Defendant.

1:19-cv-4527-MKV

ORDER

MARY KAY VYSKOCIL, United States District Judge:

Pursuant to the discussion with the parties on the record of the hearing on August 5, 2020, the Court issued an Order Requesting Certified Deposit Copies on August 11, 2020, requesting the United States Copyright Office to provide certified deposit copies of the works registered under VA-2-150-161 in connection with this action [ECF No. #55] (the “Request Order”). Since Defendant raised this issue in connection with its Opposition to Plaintiff’s Motion for Summary Judgment but never requested deposit copies during discovery and therefore offered no evidence in support of its Opposition, and since both parties consented on the record to the Court attempting to facilitate obtaining a deposit copy at Defendant’s expense, the Court issued a separate Order that same date providing that Defendant shall bear any cost associated with obtaining these deposit copies [ECF No. #54].

In response to its Request Order, the Court has received correspondence from the Records Research and Certification Section of the U.S. Copyright Office providing for an initial payment to complete its request for certified deposit copies. Instructions to submit payment provided by the Records Research and Certification Section of the U.S. Copyright Office are as follows:

To complete your request for records, the Office requires an initial (non- refundable) payment of \$200.00. Once the payment has been received, we will proceed with your request and inform you of the additional fees
