

## State v. Edwards

147 Wash.App. 1011 (2008) | Cited 0 times | Court of Appeals of Washington | October 27, 2008

### UNPUBLISHED OPINION

Calvin Edwards pleaded guilty to first degree theft and was sentenced using an offender score of 5. Edwards contends his score was miscalculated because a juvenile offense was erroneously counted as an adult felony. The State agrees. It also agrees the issue was not waived and concedes error. We accept the concession of error and remand for resentencing with a corrected offender score.

Remanded for resentencing.
