

Smith v. State

902 So.2d 889 (2005) | Cited 0 times | District Court of Appeal of Florida | May 31, 2005

Petition for Writ of Certiorari - Original Jurisdiction.

Both parties agree, and we concur, that the order on review is not an appealable non-final order. See Fla. R. App. P. 9.140(b)(1). We, however, treat the notice of appeal and subsequently filed initial brief as a petition for writ of certiorari and deny relief.
