

Holcombe v. Heatherly

1994 | Cited 0 times | Fourth Circuit | February 25, 1994

Per Curiam:

Appellant appeals from the district court's order denying relief on his 42 U.S.C. § 1983 (1988) complaint. Our review of the record and the district court's opinion accepting the recommendation of the magistrate Judge discloses that this appeal is without merit. Accordingly, we affirm on the reasoning of the district court. *Holcombe v. Heatherly*, No. CA-90-1984-7-2BC (D.S.C. Oct. 1, 1993). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process.
