

IGNACIO PALACIO v. STATE

299 S.W.2d 944 (1957) | Cited 0 times | Court of Criminal Appeals of Texas | March 13, 1957

ON STATE'S MOTION TO REFORM SENTENCE

Our attention has now been directed to a variance between the judgment and the sentence.

The verdict of the jury assessed the appellant's punishment at seven years' confinement in the penitentiary.

The judgment followed the verdict and assessed his punishment at seven years.

However, the sentence provided that he should serve not less than two nor more than five years.

The sentence is now reformed so as to read that the appellant shall be confined in the penitentiary for not less than two nor more than seven years.

It is so ordered.
