

Graves v. Purdue Pharma Ltd.

2009 | Cited 0 times | N.D. Mississippi | March 20, 2009

ORDER

On August 19, 2008, defendant filed a motion for summary judgment [37-1] in the above entitled action. On March 13, 2009, however, defendant noticed the deposition of Dr. Jonathan Lipman, and the Magistrate Judge extended the discovery deadline in this case until March 27, 2009. The court does not intend to rule upon any summary judgment motion until discovery has been completed, and it will therefore administratively dismiss defendant's motion for summary judgment without prejudice to re-filing once all relevant discovery is completed.

It is therefore ordered that defendant's motion for summary judgment is dismissed without prejudice.

So ordered, this the 20th day of March, 2009.
